The Building

Science, unleashed

Lab spaces — it's what we do.

Longfellow is proud to present its first New York site **Hatch Life Sciences**.

Embedded within the diverse cultural fabric of Long Island City, Hatch's state-of-the-art lab spaces provide a platform for life sciences companies to propel their innovations to the next level, through collaboration, convenience, and connection.

Purpose-built spaces

- 1 Built-in infrastructure and industry standard equipment enable effective R&D from Day 1 to catapult the breakthroughs of tomorrow.
- 2 Our meticulously designed high-tech labs are developed with flexibility to fit your specific needs.

Beyond the Lab

- 1** Shared amenity spaces encourage a culture of connectivity with opportunities for collaboration, cross-pollination, and unexpected synergies.
- 2** Café offerings support the scientists behind the science, providing everyday conveniences to promote productivity and contribute to an overall sense of wellbeing.
- 3** Work cafés provide a change in setting to recharge and foster innovative ideation inspired from beyond the lab.

The Neighborhood

Our Location

Located in LIC's energetic mixed-use neighborhood, Hatch is **walkable to just about everything**—Court Square Subway Station, fitness, pet-care, restaurants, and even MoMA PS1.

At Hatch, our spaces foster a hands-on, maker-mentality inspired by our neighborhood, where enterprising new pursuits find life in the rich character of old New York.

LIC-Inspired

ELEVATE

It's Not What We Do. It's Not How We Do It. It's Who We Are.

No one goes to work just to work anymore, so we've made it our mission to deliver an experience that reaches far beyond the status quo. When a tenant commits to a Longfellow property, we commit to them.

From modern collaborative workspaces, to informative, enriching experiences, to convenient lifestyle amenities, they are all purposefully designed to impact their daily journey. Elevate will surprise, inspire, and accommodate even our most discerning tenants.
